*The meeting was called to order at 6:40 p.m.*

#### **Minutes & Correspondence**

March 2, 2009 – *A motion to accept the minutes (Foisy/Shields) passed 2/0.*

**New Buffet:** Mr. Jarvis sent a letter to the owner of New Buffet informing her that she must have someone in the restaurant that speaks English. Mr. Jarvis went there to do an inspection because somebody complained about the restaurant. There was no one there that spoke English to answer any of Mr. Jarvis's questions or concerns. He also informed the owner that a Certified Food Protection Manager must be on site at all times and the staff must be certified in anti-choking as required by the state code. These requirements must be met by April 24, 2009. Mr. Shields said that he was at the restaurant today and there was somebody there that did speak English.

**LUA – Bouley – 67 Jolicoeur Avenue** – sas to the abutter well is 56.8' – Lisa gave the plan to the Board Members. Mr. Jason Dubois, Bertin Engineering, explained the plan to the Board. An abutter was present with a concern whether or not his well was far enough away from the new system and would he be able to drink the water. Mr. Dubois said the new system is far enough away. The abutter can have a baseline test done on his well. The well is tested at 6 months, 18 months and three years. Mr. Foisy asked who pays to have the baseline test done. Mr. Dubois said the owner of the well pays for the test. *A motion was made to accept the plan (Foisy/Shields) passed 2/0.*

*A motion was made to adjourn at 7:10 p.m. (Foisy/Shields) passed 2/0.*

Respectfully submitted,

---
