Staff present: Lee Jarvis, Health Agent & Lisa Daoust, Clerk

*The meeting was called to order at 6:30 p.m.*

### **Minutes & Correspondence**

April 6, 2009 – *A motion to accept the minutes (Shields/Foisy) passed 3/0.*

**New Buffet:** Mr. Shields said both doors were open at New Buffet and he told the workers, in a nice way, that they can not have both doors open. Mr. Jarvis plans to inspect there tomorrow and he will also address the issue about both doors being left open. Mr. Jarvis said that he spoke with the owner and she said they have hired someone who speaks English and Cantonese and is also Serve Safe certified. There are also two other people who are being trained to speak Cantonese. There will always be someone in the restaurant that speaks English, Cantonese and is Serve Safe certified.

EDS Meeting will be held on May 7, 2009 at 3 p.m. in Conference Room A.

**LUA – Barrell, 15 Point Eastalee Drive:** 3' from tank to the property line. Mr. Jarvis explained the plan to the Board. The Board reviewed the plan. *A motion to approve the plan (Shields/Laine) passed 3/0.*

**Regionalization of Boards of Health:** The Legislature wants to regionalize the small town Boards of Health Departments so anytime there is a need for inspections or emergencies, someone will always be available. No positions will be eliminated. Part time members would be hired. If services were regionalized with the small towns, more Grants can be applied for and more funding would be allowed for regionalized services. Also if towns regionalize, there will be district offices within the regions to help out.

*A motion was made to adjourn at 7:05 p.m. (Shields/Laine) passed 3/0.*

Respectfully submitted,
