(508) 885-7535

TTY 508-885-7503

Conservation Commission Policy
Effective May 26, 2004

Submission of Plan Revisions

Any plan revisions must be submitted at least seven (7) days prior to the relative public hearing date in order to allow for review by the Commission and any interested party. Plans submitted less than seven (7) days from the scheduled public hearing may result in unacceptance of the plans by the Commission and/or delay in permitting the project.
