Attention Spencer Residents:

As the leaf raking season is upon us, this is a reminder to all residents that leaves can not be raked into the streets, sidewalks or gutters. Leaf piles in the sidewalks, streets and gutters not only create drainage and maintenance issues but can also create a safety hazard.

Article 6 Section 3 of the Town of Spencer Bylaws notes that “no person shall place or cause to be placed in any of the public streets, sidewalks, or squares any dirt, rubbish, wood, timber, snow *or other material of any kind* tending to obstruct the streets or sidewalks without written permission from the Highway Superintendent.

For residents with transfer station stickers, the Transfer Station provides a compost area where leaves, grass clippings and the like can be dropped off.

Do NOT place your leaf piles in the sidewalks, streets and gutters. You may be ticketed, fined and/or charged for their removal. The Highway Department appreciates your cooperation in this matter. Feel free to call 508-885-7525 if any questions.
