Minutes of the Special Meeting of August 20, 2013

Call to Order; 6:00 P.M.

Present: Anna Marie Hughes, Jean Desmarais, Mark Gallant  
Ted Lochner & Richard Sherman. Visitors in attendance  
were Steve Tyler of Spencer Highway Dept. and Jeff  
Fasser, Engineer and Landscape Architech for the up-  
coming reconstruction of Rt. 31 and Main St., East of  
the Town Hall to High St.

We were shown a large map of this reconstruction including  
new crosswalks, rebuilt walls, handicap ramps and  
reinstallation of the Hitching Posts, bus stop areas  
and also got a photo of the new downtown streetlights.

The subject came up again of a public talk on Civil War  
reports from Spencer. These reports are now stored  
in our public library.

A discussion was held of a public tour of the Old Cemetary.  
We might consider using school students for giving  
information on the peoples grave sites. October seems  
a good month for this but planning needs to start now.

A report on getting to know our own resources seems important  
to look into.

Treasurers Report: Balance of \$500.

There are no minutes of the last meeting because of few members.

Meeting Adjourned at 8:00 P.M.

Next Meeting is September 10, 2013

Respectfully Submitted:

  
Jean M. Desmarais  
Treasurer/Secretary.
