

IFB Questions

To: Prospective Respondents
From: James Laplante, Sewer Superintendent
Town of Spencer - Utilities and Facilities Office
Date: 11/2/2020
Re: Addendum No. 1 - Response to questions – Liquid Sludge Hauling and Disposal Bid

QUESTIONS AND ANSWERS

Q: Bidder assumes that the Town will retain title to, and sole ownership of any material deemed hazardous material as defined or regulated under law. Is this correct?

A: Yes

Q: Sludge Hauling and Disposal is service provided to the Town and is not a function which is performed on site. As such, this service should not be subjected to Prevailing Wage Requirements and is not currently subject to Prevailing Wage Requirements. Please confirm.

A: Correct, P.W.'s are not required.

Q: Labor and Material Bonding is generally provided to cover a construction project on behalf of the Contractor. Sludge Hauling and Disposal is a service and not a construction project. Please confirm that Labor and Material Bonding is not required.

A: Correct, L & M Bond is not required. However, we do require 5% bid deposit.
