Minutes: February 15, 2022 - *A motion to approve the minutes (Shields/Konisky) 2/0 pass.*

New Business - 269 Charlton Road – Additional LUA for SAS less than 50’ to underdrain. Jason Dubois discussed the local upgrade. Mr. Dubois said that the Installer did the system for a house closing. The Installer did the backfill before a blizzard. He cleared a little of the field and then left all of the piles of fill on the side of the road. Highway department looked into it and discovered a subsurface drain that runs in the ditch. There was a local upgrade already for groundwater. They did not know that there was a drain in that location. The problem is that all of the dirt piles that were left, are going to wash into the swale.

*A motion to approve the Local Upgrade (Shields/Konisky) 2/0 passed.
All of those in favor: Shields – Aye, Konisky – Aye.*

Other Business: COVID – The numbers are so low that there was nothing to report.

RESTAURANTS – There was a discussion about the restaurants and if they want to open their doors, they need to have a screen door as well.
