NOTICE
HYDRANT FLUSHING
TOWN OF SPENCER

The Town of Spencer Water Department will be flushing fire hydrants throughout the western part of the distribution system starting April 29th thru May 17th, 2024.

Flushing removes sediment from the water mains to help maintain water quality. When the Water Department staff is in the immediate area, residents could experience loss of pressure and short periods of rusty water. We are sorry for any inconvenience this may cause. A daily list of the flushing locations will be posted on the Spencer town website www.spencerma.gov each day by 8:00AM (click on Departments, then click Water Department, then click Hydrant Flushing 2024). If you have any concerns, please feel free to contact the Spencer Water Department office at 508-885-7525. Thank you.
